Discipline Regulations at Majmaah University

2015-2014

Discipline Regulations at Majmaah University

Based on the Royal Decree number 8/M on 1416/6/4 AH. High Board of Ministry of High Education has decided to be set with the following Articles for violators of the laws and regulations which are in force in the University

A¹ ARTICLE

It indicates the following terms wherever used in this regulation and shown with entry meanings in front of each item as follows:

- 1. University:** Majma'ah University, Saudi Arabia.
- 2. Students:** all students enrolled in the university regardless of their educational level or nationalities.
- 3. Offense:** Is all that is contrary to rules, regulations and instructions of the University, and the principles laid down in Islamic law.
- 4. Disciplinary Decision:** A punished administrative decision issued on those who don't be set with all regulations and laws in this disciplinary list.
- 5. Public Committee:** a committee that is granted a solid validity given by the high administration of the University to place any disciplinary sanctions according to the placed list.
- 6. Punishment:** disciplinary punishment is prescribed in these regulations.
- 7. Sub-Committee:** An approved small committee formed in each college according to some given powers exactly determined in this list.

ARTICLE 2

Without prejudice to the provisions contained in the statutes of universities in Saudi Arabia, all of the following parts go under applying of what are placed in this Disciplinary List, they are:

1. Students enrolled at the University.
2. Students enrolled in training programs and courses whatever kind and level of their courses.
3. Graduate students.
4. University employee who are permitted to have exams.
5. Students granted scholarships to other corporations or training of their work.

ARTICLE 3

Concerned with the provisions of these Regulations, including the following:

1. Addressing students' behavior within the university or in any of its facilities.
2. Controlling the behavior of the violator students within the university or in any of its facilities by applying psychological and educational methods.
3. Ensure the quality of the educational process and supporting activities in the university.

- Evaluate the behavior of the students using educational methods available at the university, and evaluate the violators' behavior by adopting disciplinary sanctions on violators in accordance to the laws and regulations that are in force in the university, and applying appropriate disciplinary sanctions.

A⁴**RTICLE**

The competent authority to apply the provisions of this regulation is Deanship of Students' Affairs and Admission in cooperation with the relevant authorities at the university.

A⁵**RTICLE**

It is not permissible for students to protest ignorance or lack of knowledge for the systems and regulations of the university. And both Deanship of Students' Affairs and Deanship of Admission must disseminate and declare the provisions of this regulation by all means available at the beginning of each academic year.

A⁶**RTICLE**

In case it is proved that the offense attributed to the student goes under a criminal offense, the Commission lifts its recommendation to the Director of the university to refer the case to the competent authorities in the State. However, the Committee may halt disciplinary procedures until it issues a final judgment.

ARTICLE 7

A student can't be withdrawn or cleared before the end of the investigation. Also, Deanship of Admission and Registration should be notified to stop his procedures of graduation or release him through keeping him as a pending student until the issue of the final determination of the alleged violation to the Commission.

ARTICLE 8

Formation of the Public Committee of Discipline:

It is a standing committee to discipline irregular students formed and issued by a decision from the President of the University for a period of one academic year. This committee issues all disciplinary decisions recommended by the Sub-Committees located in the colleges once they get finish their last investigations. Then, it fixes the final determination of the alleged violation to the Commission. (What is placed in Article 9, points 2 and 3 is taken in consideration). That is, to authorize the Sub-Committee for imposing penalties from 1 to 5 as stated in Article (19).

Formation of the Public Committee of discipline as follows:

1. Dean of students' affairs
Chairman
2. Dean/ Vice-Dean of Registration and Admission Unit
Vice- Chairman
3. Dean/ Vice-Dean of the college that the violator belongs to
Member
4. A representative belongs to the Legal Department
Member
5. Two academic staff
Members
6. An Administrative employer
Secretary

If more than one violator of more than one college share in the offence; only one presenter of Deans, whom violators belong to, will be more than enough.

A^{**9**} **ARTICLE**

- Set up any activity, events, organizing committees and conferences, issuing magazine, newspapers or brochure, collecting money or signatures before getting a prior approval from the competent authorities at the university. In addition to giving information or incorrect news that harms the reputation of the university to newspaper, magazines, or any other media.
- Female students leaving the campus or university housing without a prior permission from the authorized body.

- Not presenting the identification documents to the authorized body in the university when requested.
- Prejudicing regulation by violator during investigation, or not showing respect in his action, or the way he addresses the member of discipline committee.
- Any other violations that authorized body believe it constitutes a breach of university laws and regulations, and not mentioned in this regulation.

A **14** **ARTICLE**

It is not permissible to decide on any of the disciplinary punishments set forth in these regulations, which they went on to commit more than one year without issuing any final determination by the Public Committee in this concern.

A **15** **ARTICLE**

In case an invigilator adjusts the student with fraud during the test or tries to breach the calm inside the test room, the invigilator outputs the violator student of the testing room according to the procedures provided in this regulation. Also, he should edit a detailed letter of the incident to refer the violator to the Sub-Committee in accordance with the provisions of these Regulations.

In case an invigilator adjusts the student with cheating in reports, researches, practical exercises, homework or graduation projects; the invigilator should edit a detailed letter of the incident to refer the violator to the Sub-Committee in accordance with the provisions of these Regulations.

A¹⁶ **ARTICLE**

In case it is proved one of the cheating incidents - set forth in Article -15 after receiving the graduating document, the University may cancel the decision to grant him the graduation certificate, nor shall the offender be exempt of the disciplinary punishment

A¹⁷ **ARTICLE**

The University does have the entire right to withdraw the awarded degree back from as well as deny the decision of awarding the degree of any graduate who approved to commit any cheating action. In addition, the university has all the possibility of transferring all the documents and investigation records to the State official bodies or parties specialized in this regard.

A **18** **ARTICLE**

In case of transferring the breaching and violation works files, including individuals from outside the University, from vice president, if necessary, the General Committee is entitled to declare these files to the State authorized and official bodies; however, the committee is allowed to keep its reference updated with the contents of these files.

A **19** **ARTICLE**

The discipline penalties considered:

- Oral warning and notice of attention.
- Signing on a written declaration.
- Locking away any device(s) used in cheating inside exam room and not delivering it/them back till the end of the intended academic semester.
- Locking away any device(s), relating to female students, and not delivering it/them back to her till the end of the intended academic semester by the Deanship of the college and in the presence of some people of her family.
- Considering the intended student failure in the respected course or subject which he/she approved to commit cheating action or and cheating wise attempt.
- The denial of the exam (s), not exceeding three subjects, and considering him/her failure in it/them.
- Suspension for one full academic semester.

- Suspension for two academic semesters.
- Dismissing out of the University.

In case of damaging any of the University property (ies), the General Committee has the right to decide on the discipline penalty (ies) suitable. The one who commits such actions is considered the only in charge person and would not be given a free-part leave notice until he/she meets the entire material fine that the committee finds suitable.

A **20** **ARTICLE**

In any of the discipline penalties, all the followings should be considered:

1. The penalty must not be a direct reason for closing out the student's case unless the punishment decision is his/her dismissing out of the university.
2. The penalty must go in accordance with breaching level. Moreover, all actions, history, records, and former circumstances should be taken into consideration. Still, the committee is entitled to recommend not considering the penalty period as a part of the entire period of the student's undergraduate work.

ARTICLE 21

The University President has all the rights to hand over the discipline committee's domains shown in this article as well as to initiate all the penalties shown in article number 19 in case of a severe breaching or violation of the university system; the president also directly interferes if the male/female student(s) commit(s) a discipline violation which needs confidentiality and secrecy.

ARTICLE 22

The penalty is not preceded until the violator has been officially interrogated. This includes listening to him with all the rights to defend himself. However, the violator is denied his right to defend himself if he does not show in the interrogation day and time, unless he fetches up with an official alibi. If so, the penalty proceeds in his absence.

ARTICLE 23

The violator is called upon via an official message sent to his electronic mail, cell phone and or an official letter sent to his official place recognized by the university. However, the violator is the only responsible if any changes take place on his electronic page registered on the university website.

A²⁴ **ARTICLE**

In case of dismissing, the violator is denied his/her right to set for the final exams or reopen his case file in any of the university faculties; this decision must be recognized by all parts concerned through a period of time not exceeding 30 days since the decision issuance.

A²⁵ **ARTICLE**

The entitled party to proceed the penalty upon violators- as mentioned in Article number -19 must inform the deanship of admission and registration and the deanship of students affairs by sending them an official copy of the decision content through a period of time not exceeding 2 weeks from the date of issuing the decision so as they executively proceed and record it on the academic system as an official reference whenever needed.

A²⁶ **ARTICLE**

All discipline secondary- committee reports, all along with the interrogation files, are declared through the committee chair to be exposed and presented before the general committee; the final decision is arrived at after signing the general committee records from the university educational affairs vice president.

A²⁷ **ARTICLE**

All deans, vice deans, chairmen and all management officers are all in charge of the process of students' discipline affairs according to the university laws and regulations; so, if a violation is committed, each one of them is in charge with reference to his own position in accordance with the laws and regulations mentioned in this very article.

A²⁸ **ARTICLE**

The university security officers are directly in charge of maintaining security on campus; their reports, moreover, are of great value unless their contents are entirely approved to be discharged.

A²⁹ **ARTICLE**

All decisions made by the general committee are considered valid as signed from the university educational affairs vice president; he who a decision has been made upon has the right to appeal before the president in no more than 15 days of his recognition of that decision. The president then has the final say with this regard as to review the penalty or recommend at another penalty he finds more suitable.
